Boardwalktech Granted Full Forgiveness of Payroll Protection Program Loan

All Principal and Interest Forgiven on US\$700,100 PPP Loan

CUPERTINO, Calif., April 21, 2021 /CNW/ - (TSXV: BWLK) (OTCQB: BWLKF) Boardwalktech Software Corp ("Boardwalktech" or the "Company"), the leading Digital Ledger platform and enterprise software applications company, is pleased to announce that as expected, it has received notice from the U.S. Small Business Administration (SBA) that all principal and interest under the US\$700,100 loan, received by the Company under the U.S. Small Business Payroll Protection Program ("PPP"), has been remitted, and therefore forgiven in full.

The PPP is a multi-billion-dollar loan program that originated from the U.S. Coronavirus Aid, Relief and Economic Security (CARES) Act. As a U.S. Small Business, Boardwalktech qualified for the PPP which allowed businesses with fewer than 500 employees to obtain loans of up to US\$10 million to assist companies in maintaining full employment of their workers through the COVID-19 pandemic. The loan was for a two-year term, was unsecured and had an interest rate of 1.0 percent (1%) per year with the first six months of interest deferred. The Company qualified for forgiveness of the loan due to the fact that all funds were used to cover payroll costs during the permitted twenty-four week period following the loan origination date. The forgiven amount is not included in taxable income and this funding was non-dilutive.

About Boardwalktech Software Corp.

Boardwalktech has developed a patented Digital Ledger Technology Platform used by Fortune 500 companies running hundreds of live mission-critical applications worldwide. Boardwalktech's patented digital ledger technology and its unique method of managing vast amounts of structured and unstructured data is the only platform on the market today where multiple parties can effectively work on the same data simultaneously. Boardwalktech can deliver a collaborative purpose-built enterprise information management application on any device or user interface with full integration with enterprise systems of record in a fraction of the time it takes other non-digital ledger technology-based applications. Boardwalktech is headquartered in Cupertino, California with offices in India and operations in North America. Forward-Looking Information and Statements

This press release contains certain "forward-looking information" within the meaning of applicable Canadian securities legislation and may also contain statements that may constitute "forward-looking statements" within the meaning of the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. Such forward-looking information

and statements are not representative of historical facts or information or current condition, but instead represent only the Company's beliefs regarding future events, plans or objectives, many of which, by their nature, are inherently uncertain and outside of the Company's control. Generally, such forward-looking information or statements can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or may contain statements that certain actions, events or results "may", "could", "would", "might" or "will be taken", "will continue", "will occur" or "will be achieved". The forward-looking information contained herein may include, but is not limited to, information concerning the financial condition of the Company and its future business prospects.

By identifying such information and statements in this manner, the Company is alerting the reader that such information and statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such information and statements.

An investment in securities of the Company is speculative and subject to several risks including, without limitation, the risks discussed under the heading "Risk Factors" in the Company's filing statement dated May 30, 2018. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in the forward-looking information and forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended.

In connection with the forward-looking information and forward-looking statements contained in this press release, the Company has made certain assumptions. Although the Company believes that the assumptions and factors used in preparing, and the expectations contained in, the forward-looking information and statements are reasonable, undue reliance should not be placed on such information and statements, and no assurance or guarantee can be given that such forward-looking information and statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information and statements. The forward-looking information and forward-looking statements contained in this press release are made as of the date of this press release, and the Company does not undertake to update any forward-looking information and/or forward-looking statements that are contained or referenced herein, except in accordance with applicable securities laws. All subsequent written and oral forward-looking information and statements attributable to the Company or persons acting on its behalf is expressly qualified in its entirety by this notice.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
