## **That Woman! by Marlo Thomas to Launch Exclusively at HSN**

### **Sophisticated Apparel and Accessories Collection Available January 2017**

ST. PETERSBURG, Fla., Nov. 17, 2016 (GLOBE NEWSWIRE) -- Entertainment and lifestyle retailer HSN has partnered with award-winning actress, author and role model, Marlo Thomas, to launch *That Woman!*, her first apparel and accessories collection. The casually chic and sophisticated collection, *That Woman!*, launches exclusively with HSN on Thursday, January 19th.

Designed for women of all ages, this timeless collection offers a variety of everyday, stylish separates. The 15-piece line ranges from \$39.90 for a Heart Choker, to \$79.90 for a Lace-Up Sweater, up to \$169.90 for a Perforated Moto Jacket. The collection boasts a variety of bold and neutral tones from hot pink to champagne, and for each piece, Marlo has created a distinct detail, including keyholes, fringe, beading, pleating and perforation.

Marlo became a fashion icon when she burst onto the scene as America's first single working girl, Ann Marie, in her television series "That Girl". Through the years, she has brought her fun and sophisticated fashion sense to her everyday life as she's traveled across the country, speaking to women and raising funds for St. Jude Children's Research Hospital. These women have become the inspiration for Marlo's debut line, one that encourages them to define and embrace their own style.

"HSN has aligned seamlessly with my vision," said Marlo. "As I've grown from a girl to a woman, I've come to believe even stronger that our clothes should never narrowly define us, but free us to enjoy the adventure of fashion -- a signature style that makes us feel vibrant and confident and look great, too. I'm so excited to share what I've learned over the years with HSN customers and women looking for feminine and sassy clothing options that work for all ages and body types."

"As a company, we are so inspired by Marlo and everything that she has accomplished," stated Vanessa Dusold, HSN's SVP of Merchandising, Apparel & Accessories. "She truly believes in giving back and empowering women through fashion and style. Marlo has exquisite taste and we're excited to share this collection with her fans and our customers."

Marlo Thomas will be live on HSN on Thursday, January 19<sup>th</sup>, during *The List with Colleen Lopez*, from 9-11pm EST. The collection will be available for purchase on HSN.com starting Monday, January 9<sup>th</sup>.
