## **Qurate Retail Announces Semi-Annual Interest Payment and Regular Additional Distribution on 4.0% Senior Exchangeable Debentures Due 2029**

ENGLEWOOD, Colo.--(BUSINESS WIRE)-- Qurate Retail, Inc. ("Qurate Retail") (Nasdaq: QRTEA, QRTEB) today announced the payment of a semi-annual interest payment and a regular additional distribution to the holders as of May 1, 2019 of the 4.0% Senior Exchangeable Debentures due 2029 (the "Debentures") issued by its wholly-owned subsidiary, Liberty Interactive LLC ("LI LLC"). The amount of the interest payment is \$20.00 per \$1,000 original principal amount of Debentures (a "Debenture"), and the amount of the additional distribution is \$0.6209 per Debenture.

Under the Indenture for the Debentures, the original principal amount of the Debentures is reduced by an amount equal to each Extraordinary Additional Distribution made to holders of the Debentures. Thereafter, the adjusted principal amount is further reduced on each successive semi-annual interest payment date to the extent necessary to cause the semi-annual interest payment to represent the payment of an annualized yield of 4.0% of the adjusted principal amount. This latter adjustment, to the extent it is made by reason of a particular Extraordinary Additional Distribution that results in an adjustment to the principal amount of the Debentures, takes effect on the second succeeding interest payment date after the payment of that Extraordinary Additional Distribution.

To date, there has been one Extraordinary Additional Distribution to holders of the Debentures. On August 7, 2013, LI LLC made an Extraordinary Additional Distribution of \$63.0960 per \$1,000 original principal amount of the Debentures arising from the merger transaction between Sprint Nextel Corporation and SoftBank Corp.

Adjustments to the principal amount of the Debentures do not affect the amount of the semi-annual interest payments received by holders of the Debentures, which will continue to be a rate equal to 4.0% per annum of the original principal amount of the Debentures. Below is a detail of the amount of the semi-annual interest payment being made on the Debentures announced today, its allocation between payment of interest and repayment of principal and the revised adjusted principal amount resulting from such payment, per \$1,000 original principal amount of the Debentures:

| May 15, 2019 Beginning<br>Adjusted Principal | Total<br>Payment | Interest  | Additional Payment<br>of Principal | May 15, 2019 Ending<br>Adjusted Principal |
|----------------------------------------------|------------------|-----------|------------------------------------|-------------------------------------------|
| \$923.0863                                   | \$20.0000        | \$18.4617 | \$1.5383                           | \$921.5480                                |

LI LLC is also making a regular additional distribution of \$0.6209 per Debenture, attributable to the quarterly cash dividends paid by CenturyLink Inc. of \$0.54 per share on December 7, 2018 and \$0.25 per share on March 22, 2019. The regular additional distribution will not result in an adjustment to the adjusted principal amount of the Debentures.

The semi-annual interest payment and regular additional distribution are expected to be paid on May 15, 2019 to holders of record of the Debentures on May 1, 2019.
