About Marijuana Company of America, Inc. (OTC: MCOA)

Marijuana Company of America is a diversified holding company with operations and investments throughout the cannabis industry. MCOA changed its strategy in 2020 to focus on acquisitions, as well as sales and marketing efforts of its wholly owned hempsmart™

premium brand of hemp-based CBD (legal cannabidiol) products both domestically and internationally.

Strategic decisions and long-range planning have also led the company to pivot away from farming and focus on supplying the cannabis industry across an ever-expanding market landscape.
