Phunware Appoints Gateway to Lead Expanded Investor Relations Program

AUSTIN, Texas--(BUSINESS WIRE)-- [Phunware, Inc. \(NASDAQ: PHUN\)](#) (the “Company”), a fully-integrated [enterprise cloud platform](#) for mobile that provides products, solutions, data and services for brands worldwide, has engaged [Gateway Investor Relations \(Gateway\)](#), a leading strategic financial communications and capital markets advisory firm, to manage its expanded investor relations program initiatives, including providing corporate messaging and other consulting services to the company.

Founded in 1999, Gateway is a strategic financial communications firm specializing in advising public companies across a broad range of industry classifications. Among other services, the firm provides high-level capital markets consulting, corporate communications and investor outreach.

“With the growth and demand that we’re experiencing for our proprietary [Multiscreen-as-a-Service \(MaaS\)](#) cloud platform, we believe that the timing is right to engage an experienced investor relations firm to expand our outreach and communicate our enterprise software story to a wider institutional audience,” said [Alan S. Knitowski](#), President, CEO and Co-Founder of Phunware. “Gateway has a proven track record in helping leading software companies like ours to elevate their profiles within the institutional investment community and we look forward to working closely with their team to broaden the reach of our message and increase the awareness of Phunware’s compelling investment thesis.”

Gateway will work closely with Phunware management to develop and deploy a comprehensive capital markets program. Activities will include, but are not limited to, refining overall company and investment-oriented messaging and corporate positioning, providing strategic advisory services and arranging introductions to institutional investors, analysts and other key influencers in the broader financial community. Safe Harbor Clause and Forward-Looking Statements

This press release includes forward-looking statements. All statements other than statements of historical facts contained in this press release, including statements regarding our future results of operations and financial position, business strategy and plans, and our objectives for future operations, are forward-looking statements. The words “anticipate,” “believe,” “continue,” “could,” “estimate,” “expect,” “expose,” “intend,” “may,” “might,” “opportunity,” “plan,” “possible,” “potential,” “predict,” “project,” “should,” “will,” “would” and similar expressions that convey uncertainty of future events or outcomes are intended to identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking.

The forward-looking statements contained in this press release are based on our current expectations and beliefs concerning future developments and their potential effects on us.

Future developments affecting us may not be those that we have anticipated. These forward-looking statements involve a number of risks, uncertainties (some of which are beyond our control) and other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements. These risks and uncertainties include, but are not limited to, those factors described under the heading “Risk Factors” in our filings with the Securities and Exchange Commission (SEC), including our reports on Forms 10-K, 10-Q, 8-K and other filings that we make with the SEC from time to time. Should one or more of these risks or uncertainties materialize, or should any of our assumptions prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. We undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws. These risks and others described under “Risk Factors” in our SEC filings may not be exhaustive.

By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. We caution you that forward-looking statements are not guarantees of future performance and that our actual results of operations, financial condition and liquidity, and developments in the industry in which we operate may differ materially from those made in or suggested by the forward-looking statements contained in this press release. In addition, even if our results or operations, financial condition and liquidity, and developments in the industry in which we operate are consistent with the forward-looking statements contained in this press release, those results or developments may not be indicative of results or developments in subsequent periods.
