# Phunware Partners with Vizzia Technologies for Enhanced Digital Front Door on Mobile

AUSTIN, Texas, March 11, 2021 (GLOBE NEWSWIRE) -- [Phunware, Inc. \(NASDAQ: PHUN\)](#) (the “Company”), a fully-integrated [enterprise cloud platform](#) for mobile that provides products, solutions, data and services for brands worldwide, has partnered with [Vizzia Technologies](#) (“Vizzia”) to offer its [digital front door](#) solution on mobile solution to leading healthcare organizations that leverage Vizzia’s cutting edge, real-time location systems (RTLS) technology.

Phunware’s [digital front door](#) solution is optimized for mobile, on the Company’s [Multiscreen-as-a-Service \(MaaS\)](#) enterprise cloud platform, to deliver critical [features and capabilities](#) to healthcare providers, all while enabling seamless integrations with everything from [electronic health records \(EHRs\)](#) such as [Epic](#), to [telehealth](#) providers such as [Amwell](#). This end-to-end, holistic approach eliminates the pain of having to manage dozens of point solutions, while simultaneously offering staff, patients and visitors a far more simplistic, cohesive and integrated healthcare experience. Additional capabilities include, but are not limited to:

- Mobile engagement for contextual notifications, including appointment reminders
- Real-time “blue dot” indoor positioning, including mapping, navigation and wayfinding
- Multi-site support for disparate locations
- [Beacon Maintenance](#) to ensure optimal [MaaS Location Based Services \(LBS\)](#) performance
- [Epic MyChart](#) integration with Face ID biometric login medical record access
- Prescription management with E-Visit functionality
- Mobile bill pay
- Staff directory
- Analytics

“Together, Phunware and Vizzia represent a next-generation digital front door solution for health systems looking to leverage complex location data and best-in-class mobile engagement,” said [Andrew L. Halasz](#), CEO and Founder of Vizzia Technologies.

Vizzia has been helping hospital systems improve operational efficiency and excellence with advanced RTLS technologies for over 15 years. With a three-year revenue growth of 98%, Vizzia was recognized on the [2020 Inc. 5000](#) list of the fastest-growing private companies in America for the third consecutive year.

“The future of healthcare will be tech-enabled and contextual, so partnering with a leading RTLS company like Vizzia is a natural fit,” said [Alan S. Knitowski](#), President, CEO and Co-Founder of Phunware. “Together, Phunware and Vizzia can help hospitals cut costs, streamline complicated processes and ultimately improve patient care.”

### **Safe Harbor Clause and Forward-Looking Statements**

This press release includes forward-looking statements. All statements other than statements of historical facts contained in this press release, including statements regarding our future results of operations and financial position, business strategy and plans, and our objectives for future operations, are forward-looking statements. The words “anticipate,” “believe,” “continue,” “could,” “estimate,” “expect,” “expose,” “intend,” “may,” “might,” “opportunity,” “plan,” “possible,” “potential,” “predict,” “project,” “should,” “will,” “would” and similar expressions that convey uncertainty of future events or outcomes are intended to identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking.

The forward-looking statements contained in this press release are based on our current expectations and beliefs concerning future developments and their potential effects on us. Future developments affecting us may not be those that we have anticipated. These forward-looking statements involve a number of risks, uncertainties (some of which are beyond our control) and other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements. These risks and uncertainties include, but are not limited to, those factors described under the heading “Risk Factors” in our filings with the Securities and Exchange Commission (SEC), including our reports on Forms 10-K, 10-Q, 8-K and other filings that we make with the SEC from time to time. Should one or more of these risks or uncertainties materialize, or should any of our assumptions prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. We undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws. These risks and others described under “Risk Factors” in our SEC filings may not be exhaustive.

By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. We caution you that forward-looking statements are not guarantees of future performance and that our actual results of operations, financial condition and liquidity, and developments in the industry in which we operate may differ materially from those made in or suggested by the forward-looking statements contained in this press release. In addition, even if our results or operations, financial condition and liquidity, and developments in the industry in which we operate are consistent with the forward-looking statements contained in this press release, those results or developments may not be indicative of results or developments in subsequent periods.
