Tecogen to Exhibit at the Cooperator Expo

WALTHAM, Mass., April 6, 2016 /PRNewswire/ --[Tecogen® Inc.](#) (NASDAQ: TGEN) is pleased to announce the company will be exhibiting at the annual Cooperator Expo New York. Held on Wednesday April 13, 2016 at the New York Hilton Midtown on 53rd Street and Avenue of the Americas in New York City, NY; Tecogen's team of sales and engineering experts will be on hand to answer attendee's questions at Booth C. As the premier event focused on the condo and co-op segment of the multi-unit residential market, the Cooperator Expo is a great way for board members, shareholders and building facilities managers to discover what's new in the residential housing community.

Among the many seminars being offered at the event, this year the New York State Energy Research and Development Authority (NYSERDA) will discuss how to "Save Money with Combined Heat and Power: A Winning Formula for Multifamily Buildings." Tecogen representatives will be on hand following the discussion to offer further information about the Company's cutting-edge clean power products and services. We invite seminar attendees to view a full scale model of the revolutionary InVerde 100 kW combined heat and power unit at Booth C.

Advance registration is recommended, please visit the event website for more information <https://coopexpo.com/>.

About Tecogen

[Tecogen® Inc.](#) designs, manufactures, sells, installs, and maintains high efficiency, ultra-clean, cogeneration products including natural gas engine-driven combined heat and power, air conditioning systems, and high-efficiency water heaters for residential, commercial, recreational and industrial use. The company is known for cost efficient, environmentally friendly and reliable products for energy production that, through patented technology, nearly eliminate criteria pollutants and significantly reduce a customer's carbon footprint.

In business for over 20 years, Tecogen has shipped more than 2,300 units, supported by an established network of engineering, sales, and service personnel across the United States. For more information, please visit www.tecogen.com or contact us for a free [Site Assessment](#).
