Tecogen Announces Receipt of \$2.7 Million from Exercise of Warrants

WALTHAM, Mass., Aug. 4, 2016 /PRNewswire/ -- [Tecogen® Inc.](#) (NASDAQ: TGEN), a leading provider of cost efficient, clean and reliable products for power production, heating and cooling which, through patented technology, nearly eliminate criteria pollutants and significantly reduce a customer's carbon footprint, today announced the receipt of \$2.7 million in new financing.

The funds came via exercise of 675,000 warrants with \$4.00 exercise price issued on December 28, 2015 in conjunction with the establishment of the Ultra Emissions Technologies Ltd. ("ULTRATEK") joint venture. The remainder of the warrants expired unexercised as of July 28th, 2016.

Speaking about the newly received funds, Robert Panora, Tecogen President and COO noted, "The team here at Tecogen has been working hard to execute on our clean technology vision, we're pleased our strategic investors see the progress being made and opted to exercise the majority of their warrants. I consider it a meaningful vote of confidence."
