Tecogen Exhibiting and Presenting at the "Northeast Buildings Facilities Management Show and Conference"

Participating in concurrently located "Cannabis in Commercial Real Estate Summit"

WALTHAM, MA -- (Marketwired) -- 06/13/17 -- [Tecogen® Inc.](#) (NASDAQ: TGEN), provider of clean energy products which, through patented technology, nearly eliminate criteria pollutants and significantly reduce a customer's carbon footprint, today announced they will be exhibiting at the Northeast Buildings & Facilities Management Show and Conference (NEBFM) 2017 on June 14-15, 2017 at the Boston Convention and Exhibition Center. The event is focused on products and services necessary for the operation, management, maintenance and renovation of buildings and facilities in the greater New England region. Co-located with the NEBFM Show is the Cannabis in Commercial Real Estate Summit, focusing on the financial benefits and real estate needs of the emerging cannabis industry. Tecogen's exhibition booth, located at Booth 411, will be accessible to attendees from both shows.

On Wednesday, June 14th at 11:30 AM, Benjamin Locke, Co-CEO of Tecogen, will give a presentation at the NEBFM Show entitled "Battery Storage and the Time of Use Value Proposition". This presentation will describe the importance of incorporating battery storage technology into Tecogen's CHP system using proprietary microgrid technology.

In addition, on Thursday, June 15th at 9:00 AM, Dr. Abinand Rangesh, Director of Project Development at Tecogen, will participate in a panel at the Cannabis in Commercial Real Estate Summit discussing opportunities in commercial real estate with the cannabis industry. Tecogen has been actively promoting the economic benefits of using Tecochill, Tecogen's gas-engine driven chiller systems, for indoor growing facilities such as cannabis.

More information on both the NEBFM Show and the Cannabis in Commercial Real Estate Summit can be found on [this website](#).

About Tecogen
