OMAHA, Neb., Dec. 06, 2016 (GLOBE NEWSWIRE) -- On December 1, 2016, America First Multifamily Investors, L.P. (NASDAQ:ATAX) ("the Partnership") entered into a Subscription Agreement to issue 700,000 Series A Preferred Units representing limited partnership interests in the Partnership (the "Preferred Units") resulting in \$7 million in aggregate proceeds to the Partnership.

The Preferred Units (which are non-cumulative, non-convertible and non-voting) are a class of limited partnership interests in the Partnership and are being issued pursuant to a private placement of up to a maximum of \$100 million. The Private Placement is directed solely to insured depository institutions chartered under the laws of any state or the District of Columbia, or of the United States.

The Partnership will use the proceeds received in the Private Placement, including the closing of the second subscription agreement described above, to acquire mortgage revenue bonds that are issued by state and local housing authorities to provide construction and/or permanent financing for affordable multifamily and student housing and commercial properties. In addition, the Partnership will use the proceeds to acquire other allowable investments as provided for in the Partnership's limited partnership agreement.

"This represents the fourth subscription agreement we have entered into to issue Preferred Units," said Chad Daffer, CEO of America First Multifamily Investors, L.P. "In 2016, we have raised approximately \$41 million of non-dilutive, fixed-rate and low cost sources of institutional capital that will enable us to continue to execute on our overall strategy for the benefit of our unitholders."

## **About America First Multifamily Investors, L.P.**

America First Multifamily Investors, L.P. was formed on April 2, 1998 under the Delaware Revised Uniform Limited Partnership Act for the purpose of acquiring, holding, selling and otherwise dealing with a portfolio of mortgage revenue bonds which have been issued to provide construction and/or permanent financing for affordable multifamily and student housing properties and commercial properties. The Partnership is pursuing a business strategy of acquiring additional mortgage revenue bonds and other investments on a leveraged basis in order to (i) increase the amount of interest available for distribution to our unitholders; (ii) reduce risk through asset diversification and interest rate hedging; and (iii) achieve economies of scale. The Partnership expects and believes the interest earned on these mortgage revenue bonds is excludable from gross income for federal income tax purposes. The Partnership seeks to achieve its investment growth strategy by investing in additional mortgage revenue bonds and other investments as permitted by the Partnership's Amended and Restated Limited Partnership Agreement, dated September 15, 2015, taking advantage of attractive financing structures available in the securities market, and entering

into interest rate risk management instruments. America First Multifamily Investors, L.P. press releases are available on the World Wide Web at [www.ataxfund.com](http://www.ataxfund.com).
