Astronics Corporation to Present at the 2012 Western New York Investors Conference

EAST AURORA, N.Y.--(BUSINESS WIRE)-- Astronics Corporation (NASDAQ: ATRO), a leading provider of advanced technologies for the global aerospace and defense industries, announced today that Peter J. Gundermann, President and CEO, will present to institutional investors and analysts at the 2012 Western New York Investors Conference on Friday, September 28, 2012, in Buffalo, New York.

Astronics' presentation is scheduled to begin at 1:25 p.m. ET.

ABOUT ASTRONICS CORPORATION

Astronics Corporation is a leader in advanced, high-performance lighting, electrical power, avionics databus products and automated test systems for the global aerospace and defense industries. Astronics' strategy is to develop and maintain positions of technical leadership in its chosen aerospace and defense markets, to leverage those positions to grow the amount of content and volume of product it sells to those markets and to selectively acquire businesses with similar technical capabilities that could benefit from our leadership position and strategic direction. Astronics Corporation, and its wholly-owned subsidiaries, Astronics Advanced Electronic Systems Corp., Ballard Technology, Inc., DME Corporation, Luminescent Systems Inc. and Max-Viz, Inc., have a reputation for high-quality designs, exceptional responsiveness, strong brand recognition and best-in-class manufacturing practices.

The Company routinely posts news and other important information on its website at www.Astronics.com.
