The amount donated in 2016 equates to 1.2 percent of the company's 2016 operating income, surpassing its

public commitment to donate at least 1 percent of operating income annually. Since 1984, The Coca-Cola Foundation has given back approximately \$909 million to organizations and communities across the world.

"It's an honor to support the missions of so many deserving and impactful organizations," said Helen Smith Price, President of The Coca-Cola Foundation and Vice President of Global Community Affairs for The Coca-Cola Company. "It's only when we work together that we have the opportunity to change lives and create meaningful change in communities."

The breakdown of 2016 contributions is as follows:

- The Coca-Cola Foundation awarded and paid \$72 million in the following areas:
 - \$7 million to support women's empowerment initiatives;
 - \$27 million to support water and environmental initiatives; and
 - \$38 million to support community strengthening initiatives including education, youth development, HIV/AIDS, arts and culture, and humanitarian/disaster relief.
- Additionally, The Coca-Cola Company donated \$34 million in funding and in-kind product donations to community events and programs around the world.
