All payment transactions at Petco Park will utilize Shift4's fully integrated suite of secure payment technologies, including innovative contactless solutions. Shift4 offers a uniquely compelling value proposition to businesses and venues of all types by consolidating multiple vendor relationships into a single-source

solution to streamline operations, simplify support, and reduce costs. The company's end-to-end payments ecosystem makes Shift4 uniquely positioned to deliver a streamlined experience for even the most complex commerce environments.

"We are excited to be the Payment Processing Partner of the San Diego Padres," said Jared Isaacman, CEO of Shift4. "As we expand our presence in sports stadiums, arenas, and entertainment venues, we will continue to eliminate complexity, reduce costs, and deliver a better guest experience with our end-to-end solution. This value proposition has only gotten more powerful with our recent acquisition of VenueNext, which positions us as the only vertically integrated payments provider with the ability to seamlessly power every aspect of in-venue commerce."

"We are pleased to partner with Shift4 for our payment processing at retail and concession

locations throughout Petco Park,” said Padres CEO Erik Greupner. “Their reliable and cutting-edge technology will provide a smooth and effortless payment experience for our fans.”
