Alterra Mountain Company is world-renowned for its portfolio of mountain destinations, offering premier outdoor experiences to skiers and riders across North America. With this partnership, Shift4 will enhance the guest experience at Alterra's destinations by providing a seamless, secure, and efficient payment infrastructure that supports everything from lodging and dining to ticketing and online purchases.

"Enhancing the guest experience is at the heart of everything we do, and Shift4's commerce solutions will help us continue to deliver a frictionless experience for our guests, both on-site and online," said Gui Karyo, Chief Technology Officer, Alterra Mountain Company. "Their expertise in managing high-volume payment environments across multiple touchpoints makes Shift4 the ideal partner as we continue to grow and enhance our destinations."

“We are excited to partner with Alterra Mountain Company to power payments at their incredible destinations across North America,” said Michael Isaacman, Shift4’s Chief Commercial Officer. “Our technology is designed to simplify and secure the entire commerce experience, from purchasing an Ikon Pass online or a lift ticket at the resort to paying for your hotel room or a meal at the lodge. We look forward to helping Alterra deliver an exceptional and seamless experience for guests across all destinations.”

Shift4’s solutions are trusted by leading resorts, sports venues, and entertainment destinations worldwide, transforming the way guests interact with payments across industries.
