

Company Overview

Headquartered in Scottsdale, The Joint Corp. is the nation's largest operator, manager, and franchisor of chiropractic clinics through The Joint Chiropractic® network. The company began revolutionizing access to chiropractic care via its model that makes ongoing treatment affordable, accessible and approachable. Eighty percent of Americans experience back pain at some time in their lives. Our highly trained doctors of chiropractic develop personalized treatment plans to relieve our patients' pain and deliver ongoing preventative care. Our affordable membership plans eliminate the need for insurance. Our no-appointments policy, convenient locations and appealing, non-clinical environment make care more accessible and approachable. With over 950 locations nationwide open across 43 states and more than 14 million patient visits annually, The Joint Chiropractic leads the chiropractic industry. The brand is consistently named to *Franchise Times'* annual "Top 400" and "Fast & Serious" list of 40 smartest growing brands. *Entrepreneur* named The Joint "No. 1 in Chiropractic Services," and is regularly ranked on the publication's "Franchise 500," the "Fastest-Growing Franchises," the "Best of the Best" lists, as well as its "Top Franchise for Veterans" and "Top Brands for Multi-Unit Owners." *SUCCESS* named the company as one of the "Top 50 Franchises" in 2024.
