## Fiserv Helps Drive Digital Transformation at Vanquis

*Vanquis becomes first client to select Fiserv's next-generation platform Vision Next™*

**MILWAUKEE, April 22, 2025** — [Fiserv, Inc.](#) (NYSE: FI), a leading global provider of payments and financial services technology, today announced that it is partnering with Vanquis, a leading specialist bank and a valued Fiserv client for many years, to support its technology transformation. Vanquis will become the first bank to select Fiserv's next-generation processing platform, Vision Next™, an end-to-end solution that delivers global processing economies of scale plus fully integrated adjacent services that span the issuing lifecycle. Built on a cloud-native, integrated suite of payment solutions, Vision Next™ enables banks to accelerate digital transformation, adapt to evolving customer expectations, and deliver highly configurable and scalable services designed to meet modern demands.

"In a world that's always changing, financial institutions have to stay ahead of the curve. Fiserv is redefining financial institutions' capabilities and delivering next-gen solutions with Vision Next," said Katia Karpova, Head of the EMEA region at Fiserv. "We are delighted to partner with Vanquis to accelerate its digital transformation and help it meet its customers' evolving needs."

"We're building real momentum at Vanquis as we transform into a modern, digitally-led bank positioned for long-term, profitable growth," said Ian McLaughlin, CEO of Vanquis. "Our Gateway programme will give us a scalable, digital-first platform by mid-2026, and choosing to extend our successful partnership with Fiserv and to integrate its cloud-native, integrated suite of payment solutions is a game-changing step in that journey."
