Pacific Ethanol, Inc. Closes \$11.0 Million Public Offering of Common Stock and Warrants

SACRAMENTO, Sept. 26, 2012 (GLOBE NEWSWIRE) --**Pacific Ethanol, Inc.** (Nasdaq:PEIX), the leading marketer and producer of low-carbon renewable fuels in the Western United States, announced it has closed its previously announced underwritten public offering of 27.5 million units at a public offering price of \$0.40 per unit, for gross offering proceeds of \$11.0 million. Each unit consists of one share of common stock and one warrant to purchase one share of common stock ("Warrant"). The shares of common stock and Warrants are immediately separable and were issued separately. The Warrants are exercisable immediately. The Warrants have a 3-year term and an exercise price of \$0.59 per share.

The company intends to use the net proceeds from the offering to fully repay its \$10.0 million in senior unsecured notes that are due in April 2013, with the balance to be used for general corporate purposes.

Lazard Capital Markets LLC acted as sole book-running manager for the offering. The securities described were sold pursuant to an effective registration statement on Form S-3, previously filed with, and declared effective by, the Securities and Exchange Commission. This press release shall not constitute an offer to sell or the solicitation of an offer to buy the securities referred to in this press release.

About Pacific Ethanol, Inc.

Pacific Ethanol, Inc. (Nasdaq:PEIX) is the leading marketer and producer of low-carbon renewable fuels in the Western United States. Pacific Ethanol also sells co-products, including wet distillers grain (WDG), a nutritional animal feed. Serving integrated oil companies and gasoline marketers who blend ethanol into gasoline, Pacific Ethanol provides transportation, storage and delivery of ethanol through third-party service providers in the Western United States, primarily in California, Arizona, Nevada, Utah, Oregon, Colorado, Idaho and Washington. Pacific Ethanol has a 67% ownership interest in New PE Holdco LLC, the owner of four ethanol production facilities. Pacific Ethanol operates and manages the four ethanol production facilities, which have a combined annual production capacity of 200 million gallons. The facilities in operation are located in Boardman, Oregon, Burley, Idaho and Stockton, California, and one idled facility is located in Madera, California. The facilities are near their respective fuel and feed customers, offering significant timing, transportation cost and logistical advantages. Pacific Ethanol's subsidiary, Kinergy Marketing LLC, markets ethanol from Pacific Ethanol's managed plants and from other third-party production facilities, and another subsidiary, Pacific Ag. Products, LLC, markets WDG. For more information please visit www.pacificethanol.net.
