TopBuild Receives 2017 ENERGY STAR® Partner of the Year Sustained Excellence Award

TopBuild Home Services Recognized for Sustained Leadership to Protect the Environment

DAYTONA BEACH, Fla., April 11, 2017 /PRNewswire/ -- **TopBuild Corp.** (NYSE:BLD), the leading purchaser, installer and distributor of insulation products to the United States construction industry, today announced that its TopBuild Home Services group has been named a 2017 ENERGY STAR Partner of the Year - Sustained Excellence Award winner for its continued leadership in protecting the environment through superior energy efficiency achievements. TopBuild's accomplishments will be recognized by the U.S. Environmental Protection Agency and the U.S. Department of Energy in Washington, D.C. on April 26, 2017.

TopBuild's extensively trained Home Energy Raters provide the evaluation, testing and independent verification required to be considered an ENERGY STAR compliant home.

"We are honored to once again be recognized for our leadership role in verifying ENERGY STAR compliant homes," said TopBuild Chief Executive Officer Jerry Volas. "TopBuild Home Services has been an ENERGY STAR partner for 15 years, working closely with home builders and consumers to create homes that are more comfortable and energy efficient."

About TopBuild

TopBuild Corp., headquartered in Daytona Beach, Florida, is the leading purchaser, installer and distributor of insulation products to the U.S. construction industry. We provide insulation services nationwide through TruTeam®, which has over 170 branches, while our Service Partners® business distributes insulation from over 70 branches. We leverage our national footprint to gain economies of scale while capitalizing on our local market presence to forge strong relationships with our customers. TopBuild Home Services is an innovative leader in home performance, helping builders and consumers create and live in energy efficient, comfortable homes.
