

AMP publishes Sustainability Roadmap

LUXEMBOURG, Nov. 14, 2024 /PRNewswire/ -- [Ardagh Metal Packaging](#) (AMP), a global supplier of sustainable metal beverage cans, today published its Sustainability Roadmap. The report updates the status to targets for AMP's sustainability pillars - Emissions, Ecology and Social – and for the first time, includes decarbonisation roadmaps that further details our 2030 SBTi ambitions.

"The progress we have made demonstrates our strong commitment to our sustainability strategy," said Til Ruhnke, Chief Sustainability Officer, Ardagh Metal Packaging. "We aim to reduce emissions, material use, waste and water consumption while fostering a diverse and inclusive work environment and making a positive impact on the communities in which we operate."
