Brady Granier, CEO, President and Director of BioCorRx., stated, "Over the years, Joe has been a major supporter of the Company and we are delighted to have him join the team as a senior advisor. His broad capital markets experience and proven leadership will be invaluable as we prepare to list on NASDAQ and further execute on our growth strategy."

About BioCorRx

BioCorRx Inc. (OTCQB: BICX) is an addiction treatment solutions company offering a unique approach to the treatment of substance abuse addiction and related disorders. The BioCorRx® Recovery Program, a non-addictive, medication-assisted treatment (MAT) program, consists of two main components. The first component of the program consists of an outpatient implant procedure performed by a licensed physician. The implant delivers the non-addictive medicine, naltrexone, an opioid antagonist that can significantly reduce physical cravings for alcohol and opioids, and can prevent opioid overdose following relapse. The second component of the program developed by BioCorRx Inc. is a Cognitive Behavioral Therapy (CBT) program tailored specifically for the treatment of alcoholism and other substance abuse addictions for those receiving long-term naltrexone treatment. The Company also conducts R&D under its controlled subsidiary, BioCorRx Pharmaceuticals. For more information on BICX and product pipeline, visit www.BioCorRx.com.
