Cemtrex, Inc. (NASDAQ: CETX) Featured on Equities.com

Article Title: "This Stock Might be the Silver Lining to Climate Change"

FARMINGDALE, NY -- (Marketwired) -- 12/08/15 -- Cemtrex, Inc. (NASDAQ: CETX), a diversified industrial and manufacturing leader, today announced that it has been featured in equities.com StopLight, the article "This Stock Might be the Silver Lining to Climate Change" was published last week with an expected follow up PART 2 piece coming later this week.

In the article, equities.com contributor Steve Kanaval discusses his 2016 outlook for Cemtrex Inc., describing the company as an "emerging growth stock and a proxy for riding the climate change bandwagon to the lush mountaintop". He also notes recent product sales figures and positive comments from Cemtrex's CEO, Saagar Govil, who said, "I am pleased to see our team obtaining new orders despite recent uncertainty in financial markets. Our existing businesses are seeing continued demand with new orders feeding into a healthy backlog. This, combined with our previously announced pending acquisition gives us confidence that our fiscal 2016 will be another positive year for Cemtrex."
