Duos Technologies added to Russell Microcap® Index

JACKSONVILLE, Fla., July 01, 2025 (GLOBE NEWSWIRE) -- [Duos Technologies Group, Inc.](#) ("Duos" or the "Company") (Nasdaq: DUOT), was added as a member of the Russell Microcap® Index, effective after the US market opened on June 30 as part of the 2025 Russell indexes reconstitution, according to the [FTSE Russell website](#).

The annual Russell US Indexes reconstitution captures the 4,000 largest US stocks as of Wednesday, April 30th, ranking them by total market capitalization. Membership in the Russell Microcap® Index, which remains in place for one year, means automatic inclusion in the appropriate growth and value style indexes. FTSE Russell determines membership for its Russell indexes primarily by objective, market-capitalization rankings and style attributes.

"Being included in the Russell Microcap® Index marks a significant achievement for Duos and reflects the growing momentum behind our strategic initiatives," said Adrian Goldfarb, Chief Financial Officer of Duos. "This inclusion increases our visibility with institutional investors and highlights the progress we've made in building a financially disciplined, innovation-driven company. With strong traction across our core AI inspection business and the expanding potential of [Duos Edge AI](#), particularly in deploying scalable edge data centers to underserved markets, we're well-positioned for long-term growth and look forward to engaging a broader investor base."

Russell indexes are widely used by investment managers and institutional investors for index funds and as benchmarks for active investment strategies. Russell's US indexes serve as

the benchmark for about \$10.6 trillion in assets as of the close of June 2024. Russell indexes are part of FTSE Russell, the global index provider.
