The **DDC Bitcoin Visionary Council** was established to bring together leading minds in Bitcoin, macro strategy, regulation, and technology to guide DDC in its ambition to building one of the largest and most thoughtful Bitcoin treasuries in the world. The Council supports DDC’s broader mission to create long-term shareholder value by aligning corporate infrastructure and capital markets with the highest industry standards.

About Dave Chapman

Mr. Dave Chapman is a distinguished pioneer and thought leader in the digital asset industry with over a decade of experience shaping the evolution of blockchain and fintech markets. He was the Co-Founder of OSL Group (HKSE: 0863), one of the world’s leading digital asset and fintech companies, where he played a pivotal role in driving institutional adoption, regulatory compliance, and the firm’s growth into a respected global market participant.

Since discovering Bitcoin in 2012, Mr. Chapman has been a vocal advocate for raising industry standards around transparency, compliance, and security, helping to promote broader institutional acceptance. His entrepreneurial ventures include co-founding ANX International, one of the earliest and largest blockchain solution providers, and Octagon Strategy, which grew to become Asia’s largest over-the-counter (OTC) digital asset trading platform at the time of its launch in 2016.

Mr. Chapman presently serves on the Advisory Board of Hex Trust, a fully licensed digital asset custodian, where he provides strategic guidance on regulatory and operational matters. Earlier in his career, he held senior roles at global financial institutions including HSBC, Credit Suisse, Barclays Capital, ABN AMRO, and Bear Stearns, developing expertise in risk analysis, order management systems, and institutional trading platforms. This dual perspective allows him to bridge traditional finance with the emerging digital economy effectively.

Beyond his professional achievements, Mr. Chapman is actively engaged in philanthropy. He serves as a Board Director of the Cambodian Children's Fund, supporting education and healthcare initiatives for disadvantaged youth, and volunteers as a swim coach with the Splash Foundation, empowering migrant workers and domestic helpers through community swimming programs.
