- Will Travis - Founder & CEO of Elevation Barn, Host of the Elevate podcast

The Annual Genius Future Summit brings together the world's brightest leaders, innovators, and thinkers to explore the top trends shaping our future. Over two immersive days, attendees gain insights, connections, and strategies to thrive in the decade ahead.

Highlights of the summit include:

- The top 10 trends in the ABC's of the Future: AI, Bitcoin, and Community
- Forums on Entrepreneurship, Education and Environment
- Launch of Genius Academy's latest Microcourses, including The Genius Code.
- Launch of the 2026 schedule of Genius Camps and Genius Certifications.
- Launch of the full Genius City model and Genius City network at Nuanu, Bali.

Genius Group's CEO, Roger James Hamilton, said *"The Genius Future Summit is our biggest annual event for our global community, and we're looking forward to be hosting the summit for the first time on the site of our Genius City. The rapid growth in AI and the Bitcoin economy makes this a unique opportunity to connect with our community, share our growth plans and bring together a lineup of world class thought leaders."*

Forward-Looking Statements

Statements made in this press release include forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934. Forward-looking statements can be identified by the use of words such as “may,” “will”, “plan,” “should,” “expect,” “anticipate,” “estimate,” “continue,” or comparable terminology. Such forward-looking statements are inherently subject to certain risks, trends and uncertainties, many of which the Company cannot predict with accuracy and some of which the Company might not even anticipate and involve factors that may cause actual results to differ materially from those projected or suggested. Readers are cautioned not to place undue reliance on these forward-looking statements and are advised to consider the factors listed above together with the additional factors under the heading “Risk Factors” in the Company's Annual Reports on Form 20-F, as may be supplemented or amended by the Company's Reports of a Foreign Private Issuer on Form 6-K. The Company assumes no obligation to update or supplement forward-looking statements that become untrue because of subsequent events, new information or otherwise. No information in this press release should be construed as any indication whatsoever of the Company's future revenues, results of operations, or stock price.
