# Global Payments Announces New TouchNet® OneCard VIP™ Platform for Cloud-Based Campus Transactions

ATLANTA--(BUSINESS WIRE)-- Global Payments Inc. (NYSE: GPN), a leading worldwide provider of payment technology services, is pleased to introduce TouchNet® OneCard VIP™, its new vertically integrated platform for campus-wide transactions. This comprehensive solution represents new cloud-based campus ID software that simplifies student life, maintaining student access privileges and enabling payment transactions across colleges and universities.

For school administrators, the new OneCard VIP approach enables real-time integration, transaction automation and centralized operations in a sophisticated, technology-driven payment software solution. The OneCard VIP manages access to facilities, meal plans and recreational events, tracks student activity and attendance, validates campus credentials and provides a single point of access to campus life.

“OneCard VIP is leading the way in the transformation of campus ID systems from physical, plastic cards to digital, mobile credentials,” said Ron Farmer, President Global Payments Campus Solutions. “Over 80% of students today use a smartphone - this solution offers innovative technology to these students to enhance their campus experience.”
