Global Payments Announces Full Support for Samsung Pay in the UK

LONDON & ATLANTA--(BUSINESS WIRE)-- Global Payments Inc. (NYSE: GPN), a leading worldwide provider of payment technology services, is pleased to offer merchants in the United Kingdom the ability to accept Samsung Pay, a simple and safe mobile payment service that works almost anywhere you can swipe or tap your card. As a Samsung Pay-qualified payment provider, Global Payments' robust suite of payment solutions is fully enabled for acceptance, allowing merchants to offer their customers the convenience of Samsung Pay.

To make a payment on Samsung Pay, users can simply swipe up, scan their fingerprint and pay. Samsung Pay uses tokenization, Samsung Knox, and biometric authentication to provide secure payments and reduce the security risks inherent to plastic cards. With Near Field Communication (NFC) technologies, Samsung Pay works with most existing point-of-sale (POS) terminals.

"Global Payments is delighted to bring innovative commerce to merchants in the UK by supporting Samsung Pay," said Frank T. Young, SVP, Global Product and Innovation. "We once again demonstrate our continued commitment to leading payments technology across the globe by offering another form of mobile payment acceptance to merchants."
