 - 5.1.3.8 board memberships; and
 - 5.1.3.9 commitment to devote the time and attention necessary to fulfill his or her duties to the Company.
- 5.1.4 **Overall Evaluation Criteria.** The NCG Committee will also evaluate each individual in the context of the Board as a whole, with the objective of recommending a group that can best perpetuate the success of the business and represent shareholder interests through the exercise of sound judgment, using its diversity of experience. The NCG Committee believes that, except during periods of temporary vacancies, a majority of its directors must be independent. In determining the independence of a director, the Board will apply the definition of "independent director" in the Rules of the National Association of Securities Dealers Automated Quotation System applicable to the Company and applicable laws and regulations.
- 5.1.5 **Additional Criteria For Current Directors.** In determining whether to recommend a director for re-election, the NCG Committee will consider the director's past attendance at meetings and participation in and contributions to the activities of the Board. Current directors must provide the NCG Committee with updated information regarding any changes in employment or board memberships.
- 5.1.6 **Age Requirements.** Individuals who serve as directors must be at least 21 years of age and must be less than 75 years of age on the date of election or re-election to the Board. Directors attaining their 75th birthday while in office shall retire on or prior to the date of the next annual meeting, but in any event no later than their 76th birthday. In its discretion, the NCG Committee may waive the age requirement with respect to a particular director nominee by taking official action at a meeting or by unanimous written consent.

her election to the Board. The term limit for current directors first elected prior to June 21, 2004, will be determined as if such directors were first elected on June 21, 2004. In its discretion, the NCG Committee may waive the term limit with respect to a particular director nominee by taking official action at a meeting or by unanimous written consent.

5.1.8 **No Specific Limitation on Service on Other Boards.** The NCG Committee does not believe that Board members should be prohibited from serving on boards and/or committees of other organizations, and has not adopted any guidelines limiting such activities. However, the NCG Committee will take into account the nature of and time involved in a director's service on other boards in evaluating the suitability of individual directors and making its recommendations to the Board, and will consider any conflicts of interest arising from such other activities. A director may not continue to serve on the Board and an individual will not be considered for nomination to the Board if such person's service on the Board would exceed the limits for board service or otherwise violate any rules established by any exchange on which the Company's stock is listed.

5.2 **Board Committee Recommendations.** The NCG Committee will recommend nominees for appointment to each Board committee annually and as vacancies or newly created positions occur. The NCG Committee will also recommend the chair for each Board committee.
