Central Garden & Pet Company Amends and Extends Its Revolving Credit Facility

WALNUT CREEK, Calif.--(BUSINESS WIRE)-- Central Garden & Pet Company (NASDAQ:CENT) (NASDAQ:CENTA), a leading innovator, marketer and producer of quality branded products for the lawn and garden and pet supplies markets, today announced the amendment of its \$275 million five-year senior secured revolving credit facility (the "Credit Facility") effective June 8, 2011. Under the modified terms, the Credit Facility has a borrowing capacity of \$375 million, an increase of \$100 million, and an extension of the maturity date by approximately one year to June 2016. Further, the Credit Facility bears lower interest rates, commitment fees and interest coverage requirements.

Interest on the amended Credit Facility is based, at the Company's option, on a rate equal to the Alternate Base Rate (ABR), which is the greater of: the Prime Rate, the Federal Funds rate plus 1/2 of 1%, or one month LIBOR plus 1%, all of which have an additional fluctuating margin of 0.75% to 1.75%. Alternatively, the Company could choose a rate of LIBOR plus a margin, which would fluctuate from 1.75% to 2.75%. The minimum interest coverage requirement was reduced to 2.50 times EBITDA from 2.75 times EBITDA.

The Company continues to have the option to increase the size of the Credit Facility by an additional \$200 million of incremental term loans and/or revolving loans should it exercise its option and one or more lenders are willing to make such increased amounts available to it.

"We are pleased to have completed this favorable amendment to our credit facility which was aided by the advantageous bank market environment and our solid operating performance," said Lori Varlas, Senior Vice President and Chief Financial Officer. "The amendment increases our financial flexibility and capacity to invest in organic growth and strategic acquisitions, while providing for a lower interest rate and extending the maturity date on the revolver."
