Titan America welcomes new CEO

Bill Zarkalis is former Group CFO of Titan SA

NORFOLK, Va.--(BUSINESS WIRE)-- Titan America is pleased to announce that effective today, Bill Zarkalis will serve as Chief Executive Officer for Titan America. Bill joins from parent organization Titan Cement SA, where he served as Group Chief Financial Officer since 2010 and Executive Director of Business Development and Strategic Planning prior to that.

"It was a great learning opportunity and a privilege to take a detour from a long career in business management roles and serve Titan as the Group Chief Financial Officer and I'm now thrilled to be with Titan America," stated Zarkalis. "The building materials and construction industry has faced a deep and prolonged crisis. Our company has successfully weathered economic storms on both sides of the Atlantic and I'm grateful for our dedicated employees and the character and leadership that it took to get through this difficult period. We'll continue to focus our efforts on restoring financial fitness while we build a healthier, more profitable Titan America. Our future looks strong and I'm confident about our continued growth and success."

Before joining Titan, Zarkalis served in a variety of executive positions with Dow Chemical, including Global Vice President of Dow Automotive, Global Business Director of Specialty Plastics and Elastomers, and Global Business Director of Synthetic Latex.

He has represented Titan in the World Business Council for Sustainable Development (WBCSD), the European Round Table (ERT) and the Cement Sustainability Initiative (CSI).

Bill received a MSc. in Chemical Engineering from both The National Technical University at Athens and the University of Pennsylvania.

Titan America LLC is a leading environmentally and socially progressive heavy building materials company doing business in the eastern United States. Our products include cement, aggregates, ready-mixed concrete, concrete block, fly ash and mineral beneficiation. Our parent company, Titan Cement Company, SA, headquartered in Athens, Greece, is a signatory to the UN Global Compact, a group of companies committed to sustainable and socially responsible business practices and is a core member of the Global Cement Sustainability Initiative. We have been in operation since 1902 and we remain a family-led business with a values-oriented, people-focused culture.
