TORONTO, March 4, 2019 /CNW/ - Khiron Life Sciences Corp. ("**Khiron**" or the "**Company**") (TSXV: KHRN), (OTCQB: KHRNF), (Frankfurt: A2JMZC), a vertically integrated cannabis leader with core operations in Latin America, announced today that the Company will host a Toronto reception on Thursday, March 7 to announce Cannamexico World Summit 2019, one of the largest and most influential cannabis conferences in Latin America. The Toronto reception will introduce the summit agenda, the first Canadian Pavilion and feature an exclusive on-stage Q&A with Mr. Vicente Fox, the 55th President of Mexico, and former CEO of Coca Cola Mexico.

WHO: Khiron Life Sciences and CentroFox
WHAT: Cannamexico World Summit 2019 Launch
WHERE: | St.Regis Hotel, 325 Bay Street, Toronto
WHEN: | Thursday March 7, 12:30pm – 2:00pm

This event is for invited guests and media. Luncheon will be served.

Q&A Highlights: Mr. Fox will discuss opportunities in Mexico's cannabis industry, offer an outlook on the global industry and how cannabis businesses can continue to build ties between Canada, Mexico and across Latin America. The on-stage Q&A with Mr. Fox will be available on livestream at <https://www.meetview.com/khiron20190307/>

The Cannamexico World Summit 2019, taking place April 25-26 in Guanajuato, Mexico, will bring together more than 2,000 attendees from across the region, connecting the cannabis community with national and international experts on priority topics, including; regulatory affairs, eco-growth and sustainability, medicine and science, pain reduction and industry growth opportunities. For the first time, Khiron and Cannamexico will host The Canadian Pavilion, a significant on-site space dedicated to showcasing Canada's leading cannabis and related companies engaged in developing business growth opportunities in Mexico.

Vicente Fox, the 55th President of Mexico, former CEO of Coca-Cola Mexico, and founder of CentroFox, stated, "The cannabis industry has the potential to be a pillar of our economies, and as legislation progresses across Latin America I invite attendees to Cannamexico 2019, a global summit that will bring together the world's cannabis community to debate responsible and commercially successful developments in Mexico and across the region."

Khiron is strategically positioned to enter the Mexican market. As previously announced, Khiron's Mexico subsidiary has received approval to commercialize three products from

Khiron's nutraceutical product line, it is set up in the country to submit license applications, and has initiated an in-depth regulatory review of the country's legal medical cannabis landscape as well as an assessment of market needs. The commencement of sales in Mexico is subject to prior TSX Venture Exchange ("**TSXV**") approval. Mexico comprises a population of approximately 124 million people, with nearly 11.7 million potential patients for medical cannabis.
