- Global skincare market expected to reach US\$131 Billion in 2019

TORONTO, March 5, 2019 /CNW/ - Khiron Life Sciences Corp. ("**Khiron**" or the "**Company**") (TSXV: KHRN), (OTCQB: KHRNF), (Frankfurt: A2JMZC), a vertically integrated cannabis leader with core operations in Latin America, announced today that the Company will participate in Cosmoprof Worldwide Bologna, taking place March 14-17 in Bologna, Italy. Recognized as the largest and most important event in the beauty buyers' calendar, this event brings the Company's Kuida® cosmeceutical portfolio to a global network of retail buyers and distributors.

Andres Galofre, Co-founder and VP Business Development, Khiron Life Sciences Corp., states, "Our participation in Cosmoprof Worldwide Bologna marks an important milestone for Khiron as we bring the Kuida® brand to the global market for the first time. As well, we will be educating beauty buyers about cannabis legislation in their jurisdiction as it applies to CBD-based cosmeceuticals, and increase awareness of the market potential in this fast developing category."

Kuida®, the first consumer brand for Khiron's wellness unit, brings the benefits of cannabidiol (CBD) to a comprehensive portfolio of skin and body care products for women. Launched in Colombia in October 2018 through retail, wholesale and online channels, Kuida® will now target the global skincare market which, according to Euromonitor International is expected to reach US\$131 Billion in 2019.

Elsa Navarro, Skin Unit Director, Khiron life Sciences Corp., states "CBD-based products are rapidly taking centre stage on the global skincare market. With our proven product development and marketing experience it is important for Kuida® to participate in the industry discussion on product innovation, consumer education, legislation, distribution and marketing, in order to assist retail buyers in making informed buying decisions."

Juan Carlos Castro, Director of Cosmetics and Cleanliness Industry at ANDI, the National Business Association of Colombia, commented, "Global trends led by consumers and manufacturers have created opportunity for new technologies and ingredients that can bring wellness benefits, including through the use of cannabis. Khiron has recognized this opportunity and is leading the path in Latin America through the development of their Kuida® consumer brand."
