About LD Micro

LD Micro was founded in 2006 with the sole purpose of being an independent resource in the microcap space. What started out as a newsletter highlighting unique companies has transformed into an event platform hosting several influential conferences annually (Invitational, Summit, and Main Event).

In 2015, LDM launched the first pure microcap index (the LDMi) to exclusively provide intraday information on the entire sector. LD will continue to provide valuable tools for the benefit of everyone in the small and microcap universe.

For those interested in attending, please contact David Scher at david@ldmicro.com or visit www.ldmicro.com for more information.

About Khiron

Khiron Life Sciences Corp. is positioned to be the dominant integrated cannabis company in Latin America. Khiron has core operations in Colombia and is fully licensed in the country for the cultivation, production, domestic distribution, and international export of both THC (tetrahydrocannabinol) and CBD (cannabidiol) medical cannabis. In May 2018, Khiron listed on the TSX Venture Exchange, becoming one of the first Colombian based medical cannabis companies to trade on any exchange globally.

With a focused regional strategy and patient oriented approach, the Company combines global scientific expertise, agricultural advantages, branded product market entrance experience and education to drive prescription and brand loyalty to address priority medical conditions such as chronic pain, epilepsy, depression and anxiety in the Latin American market of over 620 million people. Khiron is led by Co-founder and Chief Executive Officer, Alvaro Torres, together with an experienced executive team, and a knowledgeable Board of Directors that includes former President of Mexico, Vicente Fox.
