## Sapience Therapeutics to Participate Virtually in Upcoming August Investor Conferences

HARRISON, N.Y., July 28, 2022 /PRNewswire/ -- Sapience Therapeutics, Inc., a clinical-stage biotechnology company focused on the discovery and development of peptide therapeutics to address difficult-to-treat cancers, announced today that management will participate virtually in the following investor conferences during August 2022:

### **2022 BTIG Biotechnology Conference, August 8-9, 2022**

- Sapience management will participate virtually in one-on-one meetings with investors on August 9.

### **2022 Wedbush PacGrow Healthcare Conference, August 9-10, 2022**

- Sapience management will participate virtually in a fireside chat with Robert Driscoll, Research Analyst at Wedbush, on August 10 at 8:35 am ET. Company management will also participate in virtual one-on-one meetings with investors on the same day.

### ***About Sapience Therapeutics***

Sapience Therapeutics, Inc. is a privately held, clinical-stage biotechnology company focused on discovering and developing peptide therapeutics for major unmet medical needs, particularly high mortality cancers. Sapience's approach holds potential to target intracellular interactions that are traditionally considered "undruggable targets". Its lead program, ST101, is a peptide antagonist of C/EBP $\beta$  that has demonstrated clinical proof-of-concept in multiple indications. ### ***Cautionary Note on Forward-Looking Statements***

This press release contains forward-looking statements. Any statements herein other than statements of historical fact could be deemed to be forward-looking statements. These forward-looking statements may include, among other things, statements regarding future events that involve significant risks and uncertainties (including with respect to Sapience's preclinical and clinical development programs). These forward-looking statements are based on management's current expectations, and actual results and future events may differ materially as a result of certain factors, including, without limitation, our ability to obtain additional funds, and meet applicable regulatory standards and receive required regulatory approvals. Forward-looking statements speak only as of the date of this press release. Sapience does not undertake any obligation to update any forward-looking statements as a result of new information, future events, changed assumptions or otherwise, except as

required by law.
