About Morgan Wallen:

Morgan Wallen sets the pace in, and beyond, country music – with [Billboard](#) calling him “the biggest country star in the world” and [The New York Times](#) doubling down, declaring he’s “one of the biggest stars in pop, period.” With 18 No. 1 singles at Country radio, 19 *Billboard* Music Awards to-date, more than 170 weeks spent atop *Billboard*’s Top Country Albums chart (the most in country music history), the highest selling country tour under his belt and more, Wallen has propelled country music to a global level in less than five years. As [Las Vegas Review Journal](#) puts it: “Wallen’s appeal is remarkable as it is fueled by his ability to connect to a crowd.”

With *Dangerous: The Double Album*, Wallen solidified his place as country music’s “dominant superstar,” with the project recently being named *Billboard*’s No. 1 Album of the 21st Century. *One Thing At A Time*’s groundbreaking success saw Wallen’s crossover appeal reach a global scale, as he topped the Australian ARIA charts for the first time, along with a host of other accolades. With three No. 1’s already hailing from his forthcoming album release *I'm The Problem*, due May 16 via Big Loud / Mercury, Wallen digs even deeper, uncovering a side that’s both more vulnerable and more resolute than ever before.

As Wallen prepares a refreshed setlist for his 20-stadium-show *I'm the Problem Tour*, kicking off on June 20 in Houston, Texas, he’s also highlighting some of his favorite artists by

bringing the personally-curated, multi-genre *Sand In My Boots Music Festival* to Gulf Shores, Alabama, this May, which sold out in less than two hours.

Wallen continues to donate a portion of every ticket sold to his Morgan Wallen Foundation — which supports youth music and athletic programs and gives communities access to essentials in times of crisis. More at MorganWallen.com.
