Herbalife Family Foundation Establishes Casa Herbalife Program in Israel

LOS ANGELES--(BUSINESS WIRE)-- The Herbalife Family Foundation has established a Casa Herbalife program at the Yad Byad (Hand in Hand) charity in Tel Aviv, Israel, to help support the center to provide good nutrition to children.

The center was established in 1982 and cares for children aged 3 - 7 years whose parents do not have sufficient resources to take care of them. Yad Byad offers a safe and protected environment feeding the children nutritious meals and taking part in social activities.

This is the 42nd Casa Herbalife program to be established worldwide. After an initial grant from HFF, local Herbalife independent distributors and employees will support the program through volunteerism and fundraising.

HFF is a 501(c)(3), non-profit corporation dedicated to improving children's lives by helping organizations provide healthy nutrition to children at risk. Additionally, HFF often supports relief efforts in response to natural disasters.
