## Herbalife Family Foundation Establishes Another Casa Herbalife Program in Colombia

LOS ANGELES--(BUSINESS WIRE)-- The Herbalife Family Foundation established a Casa Herbalife program at La Casita de Maria Children's Foundation (FUCAM) in Medellin, Colombia, to help support the center to provide good nutrition to children.

Founded in 1996, FUCAM is a nonprofit institution providing protection and development to low income, displaced, and abandoned at-risk boys and girls. Currently, 30 children, ages 1 thru 17, live there, some of whom have grown up and been in the shelter for most of their lives.

This is the 10<sup>th</sup> Casa Herbalife program in South America, and the 46<sup>th</sup> worldwide. After an initial grant from HFF, local Herbalife independent distributors and employees will support the program through volunteerism and fundraising.

HFF is a 501(c)(3), non-profit corporation dedicated to improving children's lives by helping organizations provide healthy nutrition to children at risk. Additionally, HFF often supports relief efforts in response to natural disasters.
