Galaxy Gaming Provides Preliminary Q2 2019 Financial Results

LAS VEGAS, Aug. 06, 2019 (GLOBE NEWSWIRE) -- Galaxy Gaming, Inc. (OTCQB: GLXZ), a developer and distributor of casino table games and enhanced systems, is announcing today preliminary financial results for the quarter ended June 30, 2019.

Q2 2019 Preliminary Financial Results

The Company expects to file actual results for the quarter ended June 30, 2019 on Form 10-Q on August 14, 2019. On a preliminary estimated basis, the Company expects to report revenue for Q2 2019 of approximately \$5.4 million and adjusted EBITDA* of \$2.4 million. These figures compare to \$4.5 million in revenue and \$1.7 million in adjusted EBITDA* for the comparable period in 2018. Further, the Company expects to report that, at June 30, 2019, cash was \$8.2 million and long-term debt (gross) was \$48.6 million, including \$39.1 million of subordinated debt issued in connection with the redemption transaction in May 2019. The Q2 2019 anticipated results presented in this release are based on preliminary financial data and are subject to change until the quarter-end financial reporting process is complete.

Forward-Looking Statements

Certain statements in this release, including all statements regarding plans, prospects and expectations concerning our business and financial results may constitute forward-looking statements, which involve a number of risks and uncertainties. Galaxy cautions readers that any forward-looking information is not a guarantee of future performance and that actual results could differ materially from those contained in the forward-looking information due to a number of factors, including those listed from time to time in reports that Galaxy files with the Securities and Exchange Commission. Forward-looking statements are based on currently available information, and Galaxy disclaims any obligation to update or revise any forward-looking statements made in this release, except as required by law.

**** Non-GAAP Financial Information***

Adjusted EBITDA includes adjustments to net income to exclude interest, taxes, depreciation, amortization, share based compensation, loss on extinguishment of debt, foreign currency exchange gains (losses), change in estimated fair value of warrant liability, change in estimated fair value of interest rate swap liability and other non-recurring expenses and non-cash charges. Adjusted EBITDA is not a measure of performance defined in accordance with U.S. GAAP, however, adjusted EBITDA is used by management to evaluate our operating performance. It may not be comparable to similarly titled measures used by other companies, and it excludes financial information that some may consider important in evaluating our performance. Galaxy's reconciliations of adjusted EBITDA to U.S. GAAP net income in our historical financial statements are indicative of the

reconciliation that will be prepared upon completion of our Q2 2019 financial results and included in our quarterly report for Q2 2019.
