Galaxy Gaming® to Showcase Their Table Games For Everyone, Everywhere at Global Gaming Expo 2022

LAS VEGAS, Sept. 20, 2022 (GLOBE NEWSWIRE) -- Galaxy Gaming, Inc. (OTC: GLXZ), the world's largest independent developer and distributor of casino table games and technology will unveil innovative new content and technology at this year's Global Gaming Expo (G2E) from October 11-13 in booth #4016.

"We're thrilled to be exhibiting at G2E this year. The expo is a great opportunity for our team to meet face to face with our customers and show them what we've been working on," shared Todd Cravens, President and CEO at Galaxy Gaming. "You are going to see the result of us focusing on what we do best, industry-leading table management and progressive solutions, world-famous and brand-new table game content, and delivering that premium content across diverse channels."

Those game-changing table games and solutions will be on display showcasing Galaxy's commitment to building thrilling table games for everyone, everywhere. This omni-channel approach results in a portfolio of games, side bets, displays, and progressives that excite guests on the casino floor, on their mobile devices and desktop, and beyond.

A preview of the new content and technology launching at G2E will be released soon. To stay up-to-date visit www.galaxygaming.com/G2E.
