## **Purpose of the Offers**

The primary purpose of the Offers is to acquire up to all of the outstanding Notes listed on Table I and Table II above. The Offers are being made in connection with our proposed registered offerings of new senior notes denominated in U.S. dollars (the "New Dollar Notes Offering") and new senior notes denominated in Euros (the "New Euro Notes Offering" and, together with the New Dollar Notes Offering, the "New Notes Offerings"). The Total Consideration for any and all of the Dollar Notes, applicable Accrued Coupon Payment (as defined below) and all related fees and expenses are expected to be funded by the concurrent New Dollar Notes Offering, together with cash on hand. The Total Consideration for any and all of the Euro Notes, applicable Accrued Coupon Payment and all related fees and expenses are expected to be funded by the concurrent New Euro Notes Offering, together with cash on hand. Each Offer is subject to the satisfaction of certain conditions as more fully described under the heading "*Description of the Offers—Financing Conditions*" in the Offer to Purchase including, among other things, with respect to the Offers for the Dollar Notes, the Dollar Notes Financing Condition and, with respect to the Offer for the Euro Notes, the Euro Notes Financing Condition. Notes that are accepted in the Offers will be purchased, retired and cancelled by us and will no longer remain outstanding obligations of ours.

## **Priority in Allocation of New Euro Notes**

A Holder that wishes to subscribe for notes denominated in Euro pursuant to the Company's New Euro Notes Offering ("New Euro Notes") in addition to tendering Euro Notes for purchase pursuant to the Offers may receive priority (the "New Issue Priority") in the allocation of the New Euro Notes, subject to the issue of the New Euro Notes and such Holder making a separate application for the purchase of such New Euro Notes to a Dealer

Manager (in its capacity as a manager of the issue of the New Euro Notes) in accordance with the standard new issue procedures of such manager. When considering allocation of the New Euro Notes, the Company intends to give preference to Holders who, prior to such allocation, have validly tendered or indicated their firm intention to the Company or any of the Dealer Managers (in their capacity as a manager of the issue of the New Euro Notes) to tender the Euro Notes and subscribe for New Euro Notes. The aggregate principal amount of New Euro Notes for which New Issue Priority will be given to such Holder will be in our sole discretion and may be less than or equal to (but shall not be greater than, although for the avoidance of doubt a Holder may separately apply for additional New Euro Notes but shall not receive priority in respect of such additional New Euro Notes) the aggregate principal amount of Euro Notes validly tendered by such Holder in the Offers and accepted for purchase. We are not obligated to allocate the New Euro Notes to an investor which has validly tendered or indicated a firm intention to tender the Euro Notes pursuant to the Offers.

In the event that a Holder validly tenders Euro Notes pursuant to the Offers, such Euro Notes will remain subject to the conditions of the Offers as set out in the Offer to Purchase irrespective of whether that Holder receives all, part, or none of the allocation of New Euro Notes for which it has applied.

All Tender Instructions or applications to purchase New Euro Notes are subject to all applicable securities laws and regulations in force in any relevant jurisdiction (including the jurisdiction of the relevant Holder).

It is the sole responsibility of each Holder to satisfy itself that it is eligible to purchase the New Euro Notes before registering its interest with, and making an application to, a Dealer Manager (in its capacity as a manager of the issue of the New Euro Notes) for the purchase of the New Euro Notes. Any failure to validly submit a Tender Instruction (including as a result of such Holder being ineligible to be offered or to be sold the New Euro Notes in accordance with any applicable securities laws and regulations), or any failure of such Holder to make an application for the purchase of the New Euro Notes in accordance with the standard new issue procedures of the relevant manager of the issue of the New Euro Notes, will result in no New Issue Priority being given in respect of such Tender Instruction.

### **Details of the Offers**

The Offers will expire at 5:00 p.m. (New York City time) on May 5, 2021 with respect to any Offer (as the same may be extended with respect to such Offer, the “Expiration Date”). Tendered Notes may be withdrawn at any time prior to 5:00 p.m. (New York City time), on May 5, 2021 with respect to each Offer (as the same may be extended with respect to any Offer, the “Withdrawal Date”), but not thereafter, except as required by applicable law as described in the Offer to Purchase. None of the Offers is conditioned on completion of any of the other Offers, and each Offer otherwise operates independently from the other Offers. None of the Offers is conditioned on any minimum amount of Notes being tendered.

For a Holder who holds Notes through DTC to validly tender Notes pursuant to the Offers, an Agent’s Message and any other required documents must be received by the Tender Agent at its email address set forth on the Offer to Purchase at or prior to the Expiration Date or, if pursuant to the Guaranteed Delivery Procedures, at or prior to 5:00 p.m. (New York City time) on May 7, 2021 (the “Guaranteed Delivery Date”). For a Holder who holds Notes through Clearstream or Euroclear to validly tender Notes pursuant to the Offers, such

Holder must tender such Notes by the submission of valid Tender Instructions in accordance with the procedures described in the Offer to Purchase and of such Clearing System, as applicable. There is no letter of transmittal for the Offer to Purchase.

Upon the terms and subject to the conditions set forth in the Tender Offer Documents, Holders who (i) validly tender Notes at or prior to the Expiration Date (and do not validly withdraw such Notes at or prior to the Withdrawal Date) or (ii) deliver a properly completed and duly executed Notice of Guaranteed Delivery (or comply with ATOP procedures applicable to guaranteed delivery) and all other required documents at or prior to the Expiration Date and validly tender their Notes at or prior to the Guaranteed Delivery Date pursuant to the Guaranteed Delivery Procedures, and, in each case, whose Notes are accepted for purchase by us, will receive the applicable Total Consideration for each \$1,000 or €1,000 principal amount of Notes, as applicable, which will be payable in cash. We will accept and pay for all validly tendered and not validly withdrawn Notes that are accepted for purchase by us.

The Total Consideration payable for the Notes will be a price per \$1,000 or €1,000 principal amount of such series of Notes, as applicable, that is accepted for purchase equal to an amount, calculated in accordance with the respective formulas described in the Offer to Purchase, that would reflect, as of the applicable Initial Settlement Date, a yield to the maturity date of such series of Notes equal to the sum of (i) the Reference Yield for such series, determined at 10:00 a.m. (New York City time), for the Dollar Notes, or 3:00 p.m. (London time), for the Euro Notes, on May 5, 2021 (subject to certain exceptions set forth in the Offer to Purchase, such time and date, as the same may be extended, the “Price Determination Time”) plus (ii) the fixed spread applicable to such series, as set forth in the tables above (the “Fixed Spread”), in each case minus the applicable Accrued Coupon Payment. The “Reference Yield” means (i) with respect to each series of Dollar Notes, the yield of the reference security listed in the table for the Dollar Notes above for such series and (ii) with respect to the Euro Notes, the applicable Reference Benchmark, each as derived in the manner detailed in the Offer to Purchase.

In addition to the applicable Total Consideration, (i) Holders whose Dollar Notes of a given series are accepted for purchase by us will be paid the applicable accrued and unpaid interest on such Dollar Notes from the last interest payment date (March 25, 2021 with respect to the 2.950% Dollar Notes, April 27, 2021 with respect to the 2.875% Dollar Notes, December 1, 2020 with respect to the 2.550% Dollar Notes and March 1, 2021 with respect to the 2.250% Dollar Notes) up to, but not including, the Initial Settlement Date for the Dollar Notes Offer, which is expected to be May 6, 2021 and (ii) Holders whose Euro Notes are accepted for purchase by us will be paid the accrued and unpaid interest on such Euro Notes from the last interest payment date (September 22, 2020 with respect to both the 0.750% Euro Notes and the 1.875% Euro Notes) up to, but not including, the Initial Settlement Date for the Euro Notes Offer, which is expected to be May 7, 2021 (each such amount, an “Accrued Coupon Payment”). Interest will cease to accrue on the applicable Initial Settlement Date for all Notes accepted in the Offers, including those tendered through the Guaranteed Delivery Procedures.

Each Offer is subject to certain conditions, including, among other things, with respect to the Offers for the Dollar Notes, the Dollar Notes Financing Condition and, with respect to the Offer for the Euro Notes, the Euro Notes Financing Condition, and certain customary

conditions. Subject to applicable law and limitations described in the Offer to Purchase, we may waive any of the conditions in our sole discretion.

Our obligation to accept and pay for any Dollar Notes validly tendered and not validly withdrawn is conditioned on the successful completion, after the date hereof and prior to the Initial Settlement Date, of the New Dollar Notes Offering on terms satisfactory to us (the “Dollar Notes Financing Condition”).

Our obligation to accept and pay for any Euro Notes validly tendered and not validly withdrawn is conditioned on the successful completion, after the date hereof and prior to the Initial Settlement Date, of the New Euro Notes Offering on terms satisfactory to us (the “Euro Notes Financing Condition”).

If any Dollar Notes remain outstanding after the consummation of the Dollar Notes Offer, we expect (but are not obligated) to redeem such Notes in accordance with the terms and conditions set forth in the related indenture.

For further details on the procedures for tendering the Notes, please refer to the Offer to Purchase, including the procedures set out under the heading “*Description of the Offers—Procedures for Tendering Notes*” in the Offer to Purchase.
