SiriusXM and Major League Baseball Extend Agreement; Every Game Now Available on Sirius and XM Satellite Radios

Subscribers get every MLB game through the 2021 season

Live play-by-play of every regular and postseason MLB game, as well as select spring training and Spanish-language game broadcasts

NEW YORK, Aug. 19, 2013 /PRNewswire/ -- Sirius XM Radio (NASDAQ: SIRI) and Major League Baseball announced today a six-year extension of their agreement, which will now make MLB game broadcasts available on both Sirius and XM satellite radios, starting today, August 19.

[SiriusXM](#), which has been the Official Satellite Radio Partner of MLB since 2005, will continue to air live play-by-play of every regular and postseason MLB game, as well as select spring training and Spanish-language game broadcasts, through the 2021 season.

All MLB games will be available for the [first time](#) to subscribers with Sirius radios on either a Premier or All Access package. All MLB games will continue to air on all XM radios.

"Baseball has been an essential part of our programming lineup and we're very happy to extend our relationship with MLB to deliver the games to our subscribers for many years to come," said Scott Greenstein, SiriusXM's President and Chief Content Officer. "We're especially pleased to now offer the games to SiriusXM subscribers whether they listen through Sirius radios, XM radios, the SiriusXM App or online."

"SiriusXM has been a valuable partner providing our fans with the ability to listen to every MLB game on the growing platform of satellite radio," said Tim Brosnan, MLB Executive Vice President, Business. "We are proud that Major League Baseball content has been an important contributor to the growth of satellite radio and we look forward to continuing this relationship into the next decade."

Live MLB game broadcasts are also currently available to all subscribers on the [SiriusXM Internet Radio App](#) and online at [SiriusXM.com](#) through SiriusXM's agreement with MLB Advanced Media, L.P., the interactive media and Internet company of Major League Baseball.

In addition to MLB game broadcasts, SiriusXM will continue to offer baseball fans 24 hour coverage of their sport on the MLB Network Radio channel, available on channel 89 for XM subscribers and channel 209 for Sirius Premier subscribers. MLB Network Radio airs 365 days a year with daily shows hosted by former GMs, players and other baseball insiders, in-depth coverage of spring training, the winter meetings and other events, as well as simulcasts of certain MLB Network television programming, including the Emmy Award-winning studio show "MLB Tonight."

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our competitive position versus other forms of radio and audio services; our dependence upon automakers; general economic conditions; failure of our satellites, which, in most cases, are not insured; our ability to attract and retain subscribers at a profitable level; royalties we pay for music rights; the unfavorable outcome of pending or future litigation; rapid technological and industry change; failure of third parties to perform; changes in consumer protection laws and their enforcement; and our substantial indebtedness. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2012, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of

the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
