SiriusXM Announces Coverage of U.S. Open Golf Championship

June 12-15 from Pinehurst Resort in North Carolina

World Golf Hall of Famer and SiriusXM host Ben Crenshaw, who led recent restoration of Pinehurst No. 2, to host live show from course on June 11

NEW YORK, June 5, 2014 /PRNewswire/ -- SiriusXM will offer listeners nationwide live coverage of the 114th U.S. Open Golf Championship with live play-by-play all four days of the tournament (June 12-15) as well as live talk programming throughout the week on [SiriusXM PGA TOUR Radio](#).

Live tournament play-by-play, provided by ESPN Radio, will air on XM channel 93, Sirius channel 208 and SiriusXM channel 85 on Thursday, June 12 and Friday, June 13 from 10:00 am to 5:00 pm ET, and on Saturday, June 14 and Sunday, June 15 from 2:00 pm to 8:00 pm/conclusion ET. Subscribers can access the live broadcasts on satellite radios, through the [SiriusXM Internet Radio App](#) and at [SiriusXM.com](#).

In addition to play-by-play of all four tournament days, SiriusXM PGA TOUR Radio (XM channel 93, Sirius channel 208) will present a full week of U.S. Open focused talk programming, including shows hosted by World Golf Hall of Famer **Ben Crenshaw**, 1977 U.S. Open champion **Hubert Green** and others.

The U.S. Open is returning to Pinehurst No. 2 for the third time and the first since the course underwent a significant renovation and restoration, led by Ben Crenshaw and Bill Coore, which reestablished many of the features in the course's original design. Crenshaw will host a special live edition of his show, *Crenshaw on Golf*, from the media center at Pinehurst on Wednesday, June 11 at 1:00 pm ET. On the two-hour program, Crenshaw and co-host Ed Clements will preview the tournament and discuss the Coore & Crenshaw led restorations that will feature prominently in this year's tournament.

This year's field will include World No. 1 Adam Scott, 2013 Masters Champion Bubba Watson, Henrik Stenson, Rory McIlroy, Matt Kuchar, Jordan Spieth, Phil Mickelson and many more of the world's best golfers, plus many non-PGA TOUR card carrying players who earn open spots in the tournament by competing in local and sectional qualifiers.

"With live play-by-play and our expanded SiriusXM PGA TOUR Radio schedule our

subscribers will get an exceptional level of coverage for this year's U.S. Open," said Scott Greenstein, SiriusXM's President and Chief Content Officer. "Our hosts will bring their listeners closer to everything happening at Pinehurst next week, particularly Ben Crenshaw, who will deliver extraordinary insight into this course and what it takes to play it."

Additional highlights from the week on SiriusXM PGA TOUR Radio include:

World Golf Hall of Famer **Hubert Green** will host a special show airing Monday, June 9 at 10:00 am ET and 9:00 pm ET. Green won the 1977 U.S. Open, memorably doing so after receiving a death threat on the 15th tee during the final round.

Matt Adams and former PGA TOUR pro **John Maginnes** will host a special *U.S. Open Preview* show that will air Tuesday at 1:00 pm ET, Wednesday at 11:00 am ET, and Saturday and Sunday from 12:00 pm to 2:00 pm ET leading into the tournament broadcast. *U.S. Open Replay*, hosted by **Taylor Zarzour** and **Brian Katrek**, will air each evening after tournament play-by-play.

Listeners will also get U.S. Open talk on SiriusXM PGA TOUR Radio's other featured shows, including those hosted by **Matt Adams, Brian Bateman, Rich Beem, Mark Carnevale, Chris DiMarco, Hank Haney, Brian Katrek, David Leadbetter, John Maginnes, Jim McLean, Sandy McIlree, Carl Paulson, Dennis Paulson, Larry Rinker, Lorne Rubenstein, Ben Shear, John Swantek, Jeff Warne, Greg Warmoth** and **Taylor Zarzour**, as well as Golf Channel programming.

Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our competitive position versus other radio and audio entertainment providers; our ability to attract and retain subscribers, which is uncertain; our dependence upon the auto industry; general economic conditions; failure of our satellites, which, in most cases, are not insured; the interruption or failure of our information and communications systems; the security of the personal information about our customers; royalties we pay for music rights, which increase over time; the unfavorable outcome of pending or future litigation; our failure to realize benefits of acquisitions; rapid technological and industry change; failure of third parties to perform; changes in consumer protection laws and their enforcement; failure to comply with FCC requirements and other government regulations; and our indebtedness. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2013, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
