Jenny McCarthy Goes Live Daily on SiriusXM Starting This Fall

"Dirty, Sexy, Funny with Jenny McCarthy" expands from limited-run weekly show to exclusive daily morning show on SiriusXM

NEW YORK, Sept. 2, 2014 /PRNewswire/ -- SiriusXM announced today that actress, comedian and New York Times best-selling author Jenny McCarthy will host *Dirty, Sexy, Funny with Jenny McCarthy*, a new daily live morning radio show on SiriusXM.

The launch of the exclusive live daily show comes after McCarthy's successful limited-run weekly show aired on SiriusXM Stars this summer. The weekly show featured discussions on parenting, sex, dating and marriage. Special guests included Chelsea Handler, Perez Hilton, Jason Biggs and Jenny Mollen and Donnie Wahlberg.

McCarthy's new exclusive SiriusXM show, *Dirty, Sexy, Funny with Jenny McCarthy*, will launch this fall and will air Monday through Friday from 10:00 am—noon ET exclusively on SiriusXM Stars via satellite on channel 109, and through the SiriusXM Internet Radio App on smartphones and other connected devices, as well as online at siriusxm.com.

Dirty, Sexy, Funny with Jenny McCarthy will be a daily, two hour live talk show during which McCarthy will talk about everything from dating, parenting, sex, relationships, pop culture and current events. McCarthy will be joined by celebrity friends, comedians and other special guests. The show will also feature McCarthy interacting with her fans with live calls, Tweets and social media.

"I'm thrilled to call SiriusXM my new home, where I have the freedom to be myself and give our audience the best of me with no constraints or restrictions," said Jenny McCarthy. "And the fact that it is completely clothing-optional is just icing on the cake for me. I really am looking forward to this great nude, I mean new, adventure."

"When we gave Jenny a limited-run series this summer, we knew she would make it fun. But what we learned is she is a rare talent who can draw a broad spectrum of listeners, make them laugh and feel like they are part of the party she's having on air. We look forward to her being with our millions of listeners every day and consider it a great addition to the Stars family of talent," said Scott Greenstein, President and Chief Content Officer, SiriusXM.

McCarthy, known for her honesty and wit, is an actress, comedian and New York Times Best Selling author. McCarthy's unique combination of intelligence, outrageousness,

unpredictability and humor will have her audience hooked and laughing along with the exceptional lineup of comedic guests.

Subscribers will also be able to listen to the show via SiriusXM On Demand through the SiriusXM Internet Radio App for smartphones and other mobile devices and online at siriusxm.com.

SiriusXM Stars features unique and diverse programming for women all in one place, including shows hosted by Dr. Laura, Pia Lindstrom, Fern Mallis, Perri Peltz, Alexa Von Tobel and others.

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our competitive position versus other radio and audio entertainment providers; our ability to attract and retain subscribers, which is uncertain; our dependence upon the auto industry; general economic conditions; failure of our satellites, which, in most cases, are not insured; the interruption or failure of our information and communications systems; the security of the personal information about our customers; royalties we pay for music rights, which increase

over time; the unfavorable outcome of pending or future litigation; our failure to realize benefits of acquisitions; rapid technological and industry change; failure of third parties to perform; changes in consumer protection laws and their enforcement; failure to comply with FCC requirements and other government regulations; and our indebtedness. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2013, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
