Intellinetics Selected as Partner for Khameleon Software

IntelliCloud™ Easily Integrates to Enhance
Khameleon's Platform for Office Furniture Dealers

COLUMBUS, Ohio, Feb. 10, 2020 (GLOBE NEWSWIRE) -- [Intellinetics, Inc.](#), ([OTCQB: INLX](#)) a cloud-based document solutions provider, announced today that the company has been selected as the digital document management partner for Khameleon Software, a major provider of business software for the office furniture industry.

This partnership combines the best-in-class technology from each company to offer a complete digital document management system to Khameleon's customers. Intellinetics will build standard integrated modules which improve overall processing efficiency, provide tremendous operating savings opportunities, and will be available to all Khameleon's customers. These modules will be fully integrated with Khameleon's software and will offer their customers the flexibility needed to meet the office furniture industry's unique demands, all on one single, scalable platform.

These integrated modules will allow Khameleon's customers to benefit from:

- Cost reductions
- Service improvements
- Strengthened compliance
- Real-time access to data and documents

Starting with accounts payable, Intellinetics' is quickly expanding its modules into other document categories within Khameleon.

"We were looking for a partner who could meet our initial accounts payable document management needs in a way that easily integrated into our existing system," said Doug Angelone, President, Khameleon. "We also wanted to find a partner that was quick, nimble and could move with us into other areas to help us provide complete document management solutions for our customers. Intellinetics stood out from the crowd because of the company's flexibility and strength of its partner program. We know we have found the partner that can help our software more rapidly adapt to our customers' business needs."

"We had the technology and solution Khameleon was looking for, in addition to the flexibility to provide exactly what they need for their customers," said [James F. DeSocio](#), President & CEO of Intellinetics. "This is the benefit of working with Intellinetics. We provide the software partnership and right business model that makes our clients' lives easy, keeps their customers happy and allows them to remain the leader in their industry. This is just one of our growing paths to market – finding software partnerships where we can embed our technology and scale our install base as part of an ongoing process."
