Patrick Industries, Inc. Completes Acquisition of Metal Moulding Corporation

ELKHART, Ind., Feb. 20, 2018 /PRNewswire/ -- Patrick Industries, Inc. (NASDAQ: PATK) ("Patrick" or the "Company") announced today that it has completed the acquisition of the business and certain assets of Madison, Tennessee-based Metal Moulding Corporation ("MMC"), a manufacturer of custom metal fabricated products, primarily for the marine market, including hinges, arm rests, brackets, panels and trim, as well as plastic products including boxes, inlay tables, steps, and related components. MMC's full-year 2017 revenues were approximately \$19 million. The total cash consideration paid was approximately \$20 million, plus the potential for up to \$2 million of additional consideration upon the achievement of certain performance metrics. The Company expects the acquisition to be immediately accretive to net income per share.

"This acquisition is well-aligned with our strategic initiatives and capital allocation strategy to continue to grow our content in the primary markets we serve," said Todd Cleveland, Chief Executive Officer of Patrick. "MMC is a high-quality custom fabricator of a variety of metal and plastic products to OEMs in the marine industry, and their product offering complements our existing metal fabrication expertise and product portfolio."

"MMC's custom design, engineering, manufacturing, fabrication, and powder coat capabilities, coupled with their tremendous long-standing reputation and comprehensive suite of component products, will position us to further expand our presence in the growing marine market," said Andy Nemeth, President of Patrick. "Consistent with previous acquisitions, we will support MMC with a financial and operational foundation that will allow it to capitalize on its core competencies while preserving the entrepreneurial spirit that has been so important to its success."

Jimmy Parrish, founder and President of MMC, said, "After more than 30 years in business, we are excited to partner with Patrick whose vast portfolio of products, resources, and customer first approach will help to further grow the MMC brand and bring a variety of value added solutions to our customers and markets. We feel that Patrick is a great fit for our team and we are poised to continue to grow our business, customer relationships, and brand platform."

The acquisition of MMC included the acquisition of accounts receivable, inventory, and machinery and equipment, and was funded under the Company's existing credit facility. Patrick will continue to operate MMC on a stand-alone basis under its brand name in its existing facility.

Patrick Industries, Inc.

Patrick Industries, Inc. is a major manufacturer of component products and distributor of building products serving the recreational vehicle, manufactured housing, marine, kitchen cabinet, office and household furniture, fixtures and commercial furnishings, and other industrial markets and operates coast-to-coast through locations in 20 states and in China.
