About Recro Pharma, Inc.

Recro Pharma is a pharma services and pharmaceutical company that operates through two business segments, a revenue-generating contract development and manufacturing, or CDMO, segment, located in Gainesville, GA and an Acute Care segment primarily focused on products for the hospital and other acute care settings. The Company's CDMO segment leverages its formulation expertise to develop and manufacture pharmaceutical products using its proprietary delivery technologies and other manufacturing services for commercial and development-stage partners who commercialize or plan to commercialize these products. These collaborations can result in revenue streams including royalties, profit sharing, research and development and manufacturing fees, which support continued operations for its CDMO segment.
