NEW YORK – July 16, 2026 – SiriusXM announced today that World Poker Tour champion and 8-time World Series of Poker bracelet winner Nick Schulman will host a new poker-focused show – "Poker Weekly with Nick Schulman" – exclusively on SiriusXM.

The six-episode weekly series will debut this Saturday, July 18 (8:00 pm ET) and air exclusively on SiriusXM's [Mad Dog Sports Radio](#) (channel 82). Listeners across North America can tune in to hear Schulman deliver tips for players of various levels, tell inside stories from his 20+ year career as a pro, and share his insights into the big poker events happening around the world.

"I'm honored to be on SiriusXM talking about poker, a game that means so much to me and so many of us," said Schulman. "Having a platform like this helps legitimize poker being a game of skill, and it means a lot to me to be a part of that."

Schulman entered the world of professional poker at age 19 and two years later, he became the youngest ever winner of a World Poker Tour (WPT) event when he claimed the 2005 WPT World Poker Finals. The victory earned him a \$2,167,500 prize, then a record for a regular season event on the World Poker Tour.

Schulman has won eight World Series of Poker bracelets, considered the most coveted non-monetary prize a poker player can win. His total career live tournament winnings to date exceed \$26 million. In 2025, Schulman was inducted into the Poker Hall of Fame.
