Apollo Global Management, LLC Reports Second Quarter 2018 Results

NEW YORK--(BUSINESS WIRE)-- Apollo Global Management, LLC (NYSE:APO) (together with its consolidated subsidiaries, "Apollo") today reported results for the second quarter ended June 30, 2018.

"By leveraging the power of Apollo's integrated global platform, we have generated capital inflows of \$63 billion in the twelve months ended June 30, 2018, bringing total assets under management to approximately \$270 billion," said Leon Black, Chairman and Chief Executive Officer. "During the second quarter our Fee-Related Earnings grew by 40% and continue to provide our shareholders with a steady source of cash flow which is supported by a large base of long-dated capital, nearly half of which is permanent in nature."

Apollo issued a full detailed presentation of its second quarter ended June 30, 2018 results, which can be viewed through the Shareholders section of Apollo's website at <http://www.apollo.com/shareholders>.

Distributions

Apollo has declared a cash distribution of \$0.43 per Class A share for the second quarter ended June 30, 2018. This distribution will be paid on August 31, 2018 to holders of record at the close of business on August 17, 2018. Apollo intends to distribute to its shareholders on a quarterly basis substantially all of its distributable earnings after taxes and related payables in excess of amounts determined by its manager to be necessary or appropriate to provide for the conduct of its business.

Apollo has declared a cash distribution of \$0.398438 per Series A Preferred share and Series B Preferred share, which will be paid on September 17, 2018 to holders of record at the close of business on September 1, 2018.

The declaration and payment of distributions on Class A shares, Series A Preferred shares and Series B Preferred shares are at the sole discretion of Apollo's manager. Apollo cannot assure its shareholders that they will receive any distributions in the future.
