MRI Interventions to Present at LD Micro Invitational Conference

IRVINE, Calif., June 02, 2016 (GLOBE NEWSWIRE) -- MRI Interventions, Inc. (OTCQB:MRIC) today announced that Frank Grillo, President and CEO, will present at the LD Micro Invitational conference in Los Angeles, CA, on Thursday, June 9, 2016 at 8:30 a.m. Pacific Time.

The presentation will be archived on the Company's website for 90 days after the conference, at www.mriinterventions.com, in the "Investors" page.

About MRI Interventions, Inc.

Building on the imaging power of MRI, MRI Interventions is creating innovative platforms for performing the next generation of minimally invasive surgical procedures in the brain. The ClearPoint System, which has received 510(k) clearance and is CE marked, utilizes a hospital's existing diagnostic or intraoperative MRI suite to enable a range of minimally invasive procedures in the brain. Forward-Looking Statements

Statements herein concerning MRI Interventions, Inc. (the "Company") plans, growth and strategies may include forward-looking statements within the context of the federal securities laws. Statements regarding the Company's future events, developments and future performance, as well as management's expectations, beliefs, plans, estimates or projections relating to the future, are forward-looking statements within the meaning of these laws. Uncertainties and risks may cause the Company's actual results to differ materially from those expressed in or implied by forward-looking statements. Particular uncertainties and risks include those relating to: customer demand and market acceptance of the Company's products; its ability to successfully expand, and achieve full productivity from, its sales, clinical support and marketing capabilities; its ability to achieve the full benefits from cost reduction efforts that have been implemented or are pending; the sufficiency of its cash resources to maintain planned commercialization efforts; and future actions of the U.S. Food and Drug Administration or any other regulatory body that could impact its commercialization efforts. More detailed information on these and additional factors that could affect the Company's actual results are described in the "Risk Factors" section of the Company's Form 10-K for the year ended December 31, 2015 filed with the Securities and Exchange Commission.
