MRI Interventions to Present at Upcoming Investor Conferences

IRVINE, Calif., Sept. 15, 2016 (GLOBE NEWSWIRE) -- MRI Interventions, Inc. (OTCQB:MRIC), the leader in Neuro Navigation utilizing intraoperative MRI guidance, today announced that Frank Grillo, President and CEO, will present at two upcoming investor conferences:

- The 2016 Aegis Growth Conference being held at The Encore at Wynn Las Vegas in Las Vegas, Nevada, September 20-22; and
- The MicroCap Plus Conference, being held at the Hotel Monaco in Philadelphia, October 24 and 25.

Mr. Grillo's presentation may be accessed on the Company's website at www.mriinterventions.com by selecting the "Investors" menu, and then selecting the "Investor Presentations" page.

About MRI Interventions, Inc.

Building on the imaging power of magnetic resonance imaging, or MRI, MRI Interventions is creating innovative platforms for performing the next generation of minimally invasive surgical procedures. The ClearPoint® NeuroNavigation System, which has received 510(k) clearance and is CE marked, utilizes a hospital's existing diagnostic or intraoperative MRI suite to enable a range of minimally invasive procedures in the brain. For more information, please visit www.mriinterventions.com.

Forward-Looking Statements

Statements herein concerning MRI Interventions, Inc. (the "Company") plans, growth and strategies may include forward-looking statements within the context of the federal securities laws. Statements regarding the Company's future events, developments and future performance, as well as management's expectations, beliefs, plans, estimates or projections relating to the future, are forward-looking statements within the meaning of these laws. The Company's actual results may differ materially from those suggested as a result of various factors. Particular uncertainties and risks include those relating to: estimates regarding the sufficiency of the Company's cash resources; the Company's ability to obtain additional financing; future revenues from sales of the Company's ClearPoint System products; and the Company's ability to market, commercialize and achieve broader market acceptance for the

Company's ClearPoint System products. More detailed information on these and additional factors that could affect the Company's actual results are described in the "Risk Factors" section of the Company's Form 10-K for the year ended December 31, 2015, as well as the Company's Form 10-Q for the quarter ended June 30, 2015, both of which have been filed with the Securities and Exchange Commission.
