## About AgriFORCE

[AgriFORCE Growing Systems Ltd.](#) (NASDAQ: AGRI; AGRIW) is an AgTech company focused on developing and acquiring agriculture IP that changes the way plant cultivation and processing is done to provide more sustainable and better-quality food, pharmaceuticals, nutraceuticals, plant-based products and ingredients. Our vision is to be a leader in delivering plant-based foods and products through advanced and sustainable AgTech solutions. The Company’s foundational IP includes a proprietary facility design and automated growing system for high-value crops focused on improving the way that crops are grown. The Company calls its facility design and automated growing system the “AgriFORCE Grow House.” The Company has designed its AgriFORCE Grow House to produce in virtually any environmental condition and to optimize crop yields to as near their full genetic potential possible, while using substantially fewer natural resources and eliminating the need for the use of herbicides, pesticides and/or irradiation. The AgriFORCE goal: Clean. Green. Better.
